

**Trumbull County  
Health Department**

# Car Seat Safety Program

**What you will learn:**

- **The current safety laws for transporting children in vehicles.**
- **The best practice safety guidelines.**
- **The 4 stages your child grows through.**
- **How to operate the parts of the car seat.**
- **How to correctly install the car seat in your vehicle.**

**The Trumbull County Health Department offers low cost or no cost car seats by attending a safety class. The cost is a \$15.00 donation. Please call 330-675-2590, press line 3, to schedule a class conducted by Nationally Certified Child Passenger Safety Technicians.**
